I. PURPOSE

The purpose of this policy is to provide for uniform procedures, accountability and responsibility for funds made available by the Salt River Pima-Maricopa Indian Community (SRP-MIC) to the Higher Education Program (“Program”) that are administered by the Division. This policy supersedes SRP-MIC Admin Policy 1-4 Scholarships, dated 03/2010 and Article 11–Higher Education Policy Eff. 11/12/2013, Article 11–Higher Education Policy Eff. 6/30/2014 and Article 11–Higher Education Policy Eff. 6/30/2015, Article 11–Higher Education Policy Eff. 6/18/2018 and, Article 11–Higher Education Policy Eff. 9/9/2019. The Superintendent/Director, in coordination with the Higher Education Administrator, shall develop and implement procedures necessary for the effective and efficient operation of the Higher Education Program and Department.

II. POLICY

It is the Policy of the Salt River Pima-Maricopa Indian Community:

1. To establish the terms and conditions of and manage scholarship financial assistance to eligible enrolled SRP-MIC scholarship recipients in a fair manner in accordance with this Policy and the Scholarship Program’s policy and procedures.
2. To require all SRP-MIC enrolled members who are seeking financial assistance under this Policy to submit a complete signed application and all required documents to the Program before or on the given deadline date.
3. To grant scholarships according to the availability of funds and the provisions of this Policy.
4. To provide scholarship financial assistance through the Program toward eligible educational costs and related expenses.
5. To fund and disburse financial assistance to scholarship recipients only for the current term/semester for which assistance is approved. No financial assistance will be disbursed for any reason for prior completed terms.
6. To retain any unclaimed awards for a term as property of the Program. Further, at the end of each term, all unclaimed checks will be returned to SRP-MIC Finance Department to be credited to the Program account(s).
7. To fund only SRP-MIC enrolled Community Members who are or will be enrolled with an eligible institution as verified by the Program Committee.
8. To determine if documented complaints from students combined with staff concerns may lead to the placement of a school-- vocational or academic-- on an in-house list of schools deemed ill-suited to receive SRP-MIC students. The Program staff will no longer approve

financial assistance for SRP-MIC students to attend any school on the list. Schools may be removed from the list for showing improvement in the services provided to SRP-MIC students.

9. To determine if a student has adequately documented the expenditure of personal funds for educational costs such as tuition, books and supplies and child care so that the Program can reimburse him/her for eligible expenses incurred within the current term. Student will be responsible for submitting original receipts, itemized invoices, and other supporting documents (syllabus, book list, and any other documents deemed necessary) for reimbursement. No reimbursements will be provided for any expenses incurred during any previous terms. Reimbursements must be applied for and submitted by the last day of the current term.
10. To assist students who are classified as learning disabled, as determined by the Higher Education Institution’s disability services office (or similar office). The Higher Education Program requires students to register with the appropriate institutional disability and resource center in order to establish eligibility for special needs services with the Higher Education program. Students will need to provide appropriate documentation from their institution’s disability and resource center to the Higher Education program in order to maintain eligibility for special needs services.
11. To establish that any deliberate submission of false documentation or intentional omission of relevant information will be grounds for immediate suspension from the Program for a period of two (2) years. The student will be obligated to reimburse the Program for any monies received for the term the false documentation was submitted.
12. To provide High School Dual Enrollment students the financial assistance necessary for the student to get ahead on their Post-Secondary Education. This is in accordance with the student’s High School, School district, College and/or University policies and procedures.
13. To provide First Time Freshman (FTF) college students the financial assistance necessary to enroll at an accredited university.
14. To provide financial assistance to eligible SRP-MIC enrolled members for one degree/certificate per academic/vocational level (Vocational/Academic Certificates/Diplomas, Associate, Bachelor, and Professional/Master’s and Doctoral degrees.

- Associates Degree: Vocational certificate/diploma plus 1 year or a total of 2 years
- Bachelor’s Degree: Associates degree plus 2 years or a total of 4 years

b. Academic Students:

- Associates Degree: 6 semesters
- Bachelor’s Degree: Associates Degree plus 5 semesters or 11 semesters
- Professional Degree: Bachelor’s Degree plus 5 semesters
 - Juris Doctorate: Bachelor’s degree plus 5 semesters
- Doctorate Degree: One year in addition to the published length of time typically expected to earn a Doctorate Degree

c. Extended semesters:

Extended semesters may be granted on a case-by-case basis to students who take remedial courses that prevented them from graduating within this time frame. Further, students taking remedial courses shall be limited to a one-year period.

d. Part-time students:

Part-time students will be subject to the same requirements set above however such students will have their time periods expanded in accordance with their part-time status.

e. Students requiring prerequisite courses:

Students entering a program requiring prerequisite courses may be granted extended semesters of eligibility on a case by case basis.

f. Special Needs students:

Students classified as special needs will be granted a maximum of twice the amount of periods of eligibility identified for vocational and academic programs.

2. Full-time and part-time students whose assessment scores place them into remedial course(s) will be monitored by their SRP-MIC Program Advisor to ensure the student enrolls in required courses and moves towards graduation based on the established timelines set in (IV) (1).
3. A vocational institution’s catalog requirements shall determine the length of time needed to complete a trade program. These programs are generally structured for a predetermined scheduled date of graduation or completion. Therefore, the Program requires recipients to follow through with his/her trade program schedule.
4. Students are required to consult with their institution/school advisor, financial aid officer and/ with their SRP-MIC Program Advisor. This will help a student in selecting the correct courses that lead to a degree or program certification. The Program will require students to meet

V. TYPES OF FINANCIAL ASSISTANCE

There are four (4) methods for granting Program Financial Assistance: (1) Tuition and fees, (2) Books and supplies, (3) Credit Hour Incentive, (4) Child Care. All students are neither guaranteed nor eligible to receive all four (4) methods of granting Program Financial Assistance.

1. TUITION AND FEES

Academic Students

- a. Tuition and fees are the mandatory costs for enrollment and instruction. The Program will permit eligible students participating in the Program to attend the academic or vocational institution of their choice, and to provide those students with tuition assistance that is based on following criteria:
 - The actual cost of tuition at the approved student’s institution of choice (if tuition is equal or lesser than the maximum AZ resident state rate **OR**
 - Arizona State University, Northern Arizona University, or the University of Arizona’s or MCCCDC’s standard, Arizona resident tuition rate plus 75% of the remaining base rate tuition at the student’s institution of choice.
 - Students pursuing a Post-Baccalaureate Certificate and/or secondary Master’s Degree will be entitled to receive funding for the following:
 - The actual cost of tuition at the approved student’s institution of choice (if tuition is equal or lesser than the maximum AZ resident state rate, as determined by the Arizona Board of Regents).
 - Students pursuing a secondary Master’s Degree will be subject to maximum lifetime degree funding limits, not to exceed the current cost of a similar program offered at an AZ state institution. The lifetime maximum will mirror rates determined by the AZ Board of Regents and approved by the Superintendent/Director.
 - Students pursuing a secondary Master’s Degree are not eligible to receive credit hour incentives nor funding towards 75% of the remaining tuition balance; funding will still apply toward a student’s first Master’s Degree.
 - Required Books and supplies will continue to be covered at 100%.The distinction between University and Community College rates are based on the student’s degree program level.

Vocational Students

providers that are non-compliant with the program's guidelines.

VI. APPEAL PROCESS

If after a diligent attempt to work with the Higher Education Program, a student believes that a decision of the Higher Education Program does not comply with this Policy (Article 11. Higher Education Policy) or believes that personal extenuating circumstances led to the students' inability to maintain scholarship eligibility, the student may file an appeal but must abide by the following procedures.

1. CONTENT OF APPEAL

The appeal must be in writing and must include the following three (3) items:

- A completed Appeal Request Form.
- A detailed description written by the student stating the facts that support the allegation of a specific policy violation and/or information outlining the extenuating circumstances that caused the student's inability to maintain scholarship eligibility.
- Documentation that supports the allegation of a policy violation and/or supports the claim that there were extenuating circumstances that caused the student's inability to maintain scholarship eligibility.

2. LEVELS OF APPEAL

- a. **Superintendent/Director or Appeals Committee.** Students may appeal the decision of the Higher Education Program to the Education Superintendent/Director within ten (10) business days of receiving the Higher Education Program's decision. A student may appeal to the Superintendent/Director by submitting a completed Appeal Request Form with all required attachments as set forth in Section VI.1 above. Appeal Request Forms and attachments should be submitted to the Higher Education Administrator with the Higher Education Program Office. Failure to submit an appeal within ten (10) business days will be deemed as a waiver of the appeals process.

The Superintendent/Director's review will be based upon the Appeal Request Form and required attachments as set forth in Section VI.1 above. The Superintendent/Director has the right to request that additional information be provided by either the student or the Higher Education Program to clarify any issues related to the appeal. The Superintendent/Director has the right to make the decision or to convene an Appeals

Committee to make the decision. If the Superintendent/Director or the Appeals Committee denies the appeal, the decision of the Higher Education Program will stand and remain in effect. If the Superintendent/Director or the Appeals Committee grants the appeal, they may issue further direction to the Higher Education Program on how to proceed. The Superintendent/Director or the Appeals Committee will inform the student in writing of the decision within five (5) business days after receipt of the written appeal. All appeals and decisions will be reported to the SRP-MIC Education Board (“Education Board”).

- b. **Education Board.** Students who do not agree with the decision of the Superintendent/Director or the Appeals Committee, within five (5) business days of receiving the decision of the Superintendent/Director or Appeals Committee, may appeal to the Education Board. A student may appeal to the Education Board by providing a written letter requesting that the Education Board review the appeal. The written letter should be submitted to the Higher Education Administrator with the Higher Education Program Office. Failure to submit an appeal within five (5) business days will be deemed as a waiver of an appeal from the Superintendent/Director or Appeals Committee decision. The student need not submit a second Appeals Request Form or re-submit the attachments as set forth in Section VI.1 above. The Education Board will obtain copies of the original Appeal Request Form and all pertinent documents that were reviewed by the Superintendent/Director or Appeals Committee pursuant to Section VI.2(a) above.

The Education Board will review the appeal at their next regularly scheduled meeting, if possible, but no later than twenty (20) calendar days after the Education Board’s receipt of the student’s appeal from the Superintendent/Director’s or the Appeals Committee’s decision. The Education Board’s review will be based upon the Appeal Request Form and required attachments as set forth in Section VI.1 above, any other requested and received documents received pursuant to Section VI.2 (a) above, and the prior decisions of the Higher Education Program and the Superintendent/Director or the Appeals Committee. The Education Board has the right to request that additional information be provided by either the student or the Higher Education Program to clarify any issues related to the appeal. The Education Board may request that the student be present at the Education Board meeting to clarify information. However, the student’s attendance will not be mandatory. If the Education Board denies the appeal, the decision of the Superintendent/Director or the Appeals Committee will stand and remain in effect. If

the Education Board grants the appeal, the Education Board may issue further direction to the Higher Education Program on how to proceed. The Education Board will inform the student of the Education Board’s decision in writing within five (5) business days. The Education Board's decision is final and no additional appeals are available.

VII. STUDENT ACKNOWLEDGEMENT/ AUTHORIZATION

A signed copy of the letter titled “Acknowledgement of Receipt of Article 11. Higher Education Policy and Authorization for Deduction for Per Capita Distribution” must be on file in the Program office before a student picks up any advance payments (except if the student defers any payments until the end of the semester).

The “Acknowledgement of Receipt of Article 11. Higher Education Policy and Authorization for Deduction for Per Capita Distribution” states that students understand that they are required to repay funds to the Salt River Higher Education Program if they become ineligible for those funds (withdrawal from classes/program, failure to enroll, early termination of school enrollment or expulsion).

Students will be given an opportunity to repay the funds owed or to set-up a repayment plan. If the student is unable Article 11–Higher Education Policy Eff. 6/30/2015 to repay the funds, the student can elect to have the owed funds withheld at a rate of up to one-half of each quarterly gaming per capita payment until the funds are paid in full.
